

Blank Template Help

Simply place your design on top.

Bleed Area

You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

Fold Line

This is where we fold your design to the finished size. Any part of your design placed outside this area will be wrap around the cover.

Cut Line

This is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

Safe Zone

The safe zone is 3mm inside of the cut line and 10mm from the binding edge. Make sure all important elements and text are kept within this area.

Spine

The binding edge of your booklet. You can add graphics and text to here or have an image/background running across your cover.

Wrap

The wrap is the additional 20mm required on all 4 edges. It is folded around the cover and glued to the inside.

Hardcover Perfect Bound Books

297mm x 210mm Finished Inner Size

302mm x 438mm Finished Cover Size
